Dear Friends,

Imagine being forced to travel 69 miles on foot or donkey to register to pay your taxes; then imagine you are heavily pregnant (sorry, tricky one chaps!). There's no hotel rooms left when you get there... so you have to take shelter in an outhouse and put the baby in a hay rack.

Then you are visited by some foreign magicians who tell you that King Herod is wanting to kill your baby so you must return home via Egypt. That's another 250 miles at least with a very young baby. What a nightmare journey! We are confident that these Bible accounts are accurate because Mary (Jesus's mother) outlived him and would certainly have spoken about these things to the Gospel writers.

We are less sure about the date (or even the precise year!) so we probably observe Christmas on 25th December, just because it's great to have something to cheer us up in the depths of winter when the days are shortest and it's cold and otherwise a bit miserable.

Every year more and more people come to our Christmas services in church because as well as the usual thing of gathering friends and families together, eating, drinking and exchanging presents, it's also a Holy Day (holiday) and we all know there is a "reason for the season".

We are celebrating the birth of our living God, Jesus Christ, who came into the world to teach us how to live our lives, how to respect and love one another and how to embrace humility and kindness and cling to His values of justice and fairness for everyone. Jesus was born, lived, died and rose again to save us from our wrongdoing and offer us the hope of eternal life.

Now that's really something to celebrate!

Have a very happy and blessed Christmas everyone!

With love in Him,

Mary

Churchwardens' Notes

A big thank you to everyone who helped with the Harvest Festival weekend; the church was beautifully decorated and the Harvest Fair was well supported and raised almost £1,200.

Those of you who have been in the churchyard recently will have noticed the great work that Peter Schwenk has done in clearing back the over grown areas. Hopefully we can now keep on top of the work with our traditional autumn and spring clear ups – fuelled by coffee and doughnuts! It is hard to judge how to manage a churchyard: If it is left to nature some people say it looks a mess and if you mow it then others will say it looks like a council park. We strive for a happy middle way.

The calm pastoral setting of our church is appreciated by many people from outside the parish. We have had several groups arrange quiet days here where they have been able to meet together to both talk and to enjoy the tranquillity of the church, the churchyard and the surrounding area.

We are looking for volunteers for the churchyard mowing rota. I know several of you are still willing, and it is my fault for letting it slip, but we will relaunch it for the spring so anyone who would be prepared to do the occasional shift please contact me.

We are into the Christmas season now with the 10:30 Christingle service on the 11th of December, the 6:30 Candlelit Carol Service on the 18th and a 10:30 Family Service on Christmas morning.

A candlelit Carol Service has always been very special to me. Not just here in Little Cornard but at school as well. When we were children Mum and Dad ran nursing stations in small First Nation communities in the far north of Canada. These places were hundreds of miles from the nearest road, never mind town.

After a while they realised that, no matter how much we enjoyed the rudimentary schools these communities had, if we were to get an education we would have to come home. So we went to boarding school in Bury St Edmunds, and had a great time there. On the last Sunday of

the Christmas term the whole school would crowd into a candlelit Bury Cathedral. Friends and parents would squeeze in at the back and a sense of anticipation would settle over us. Sunday was also the day the flight from Winnipeg landed – would they make the service or had they been delayed by snow and ice? As the organ thundered and the choirs sang the descants we would sing heartily, and then as everyone sat down we would quickly search for Mum and Dad's faces at the back of the cathedral. They never let us down and it was always an exciting start to the Christmas season.

We wish you all well at Christmas and would love to see you at the Carol Service with mince pies and mulled wine afterwards and also on Christmas morning for a special start to a special day.

Lee Parker - Babergh District Council Report: December 2016

The world of politics continues apace as ever but this time on the international stage. Who would have envisaged the term President-elect Trump this time last year? One hopes the effects of future American foreign policy won't be acutely felt in Little Cornard but strange things are happening. Closer to home there are a couple of key pieces of news to report from Babergh.

Councillors back vital Public Access Strategy

Councillors in both Babergh and Mid Suffolk have given their backing to proposals to improve the delivery of public services from new accommodation in the county based in Ipswich. The move involves bringing both Councils under the same roof as Suffolk County Council at Endeavour House. Four options were considered including locating all services to Hadleigh, all services to Needham Market, the sharing of accommodation in Endeavour House with Suffolk County Council or a new building for the councils. The Public Access Strategy sets out the case for change with a focus on improving access and contact to modernised local services for residents and refining the way the Councils work. The Strategy also sets out the five key access channels for the local community that will be radically improved following the decision which are the fundamental service of Face to Face service being improved, changes to the telephone system that will see one main phone number, charged at a local rate, channelled through a customer contact centre, the creation and promotion of a single email address for the Councils, new Online – Digital Services and the introduction of Webchat and SMS services.

Speaking of the move, Cllr Jennie Jenkins, leader of Babergh District Council said "There is no doubt that the world of government and the public service sector is being transformed by technology, new ways of working and a challenging financial environment. Councillors have agreed that standing still is not an option. Their bold decision is the next step to ensuring services are better for residents, simpler for staff and more cost effective for tax payers." There will naturally be concerns about how those least able to access technology can continue to conduct their business with the Council. To this end there are a number of working groups actively involved in ensuring that "spokes" will be available within the District where Council services can be accessed. Suggestions so far are for an office to be set up either at Sudbury Town Hall or the library.

Appointment of New Joint Chief Executive

Both Babergh and Mid Suffolk District Councils have approved the recommendation of a cross party Joint Appointment Panel to name Arthur Charvonias as their preferred candidate for the post of Joint Chief Executive. Arthur Charvonias is currently employed as Strategic Director at Suffolk Coastal and Waveney District Councils. A qualified barrister, Mr Charvonias originally worked in London practising family, housing, licensing, criminal and immigration law. Since then, he has worked at Norfolk Constabulary, as well as the London Borough of Waltham Forest, before joining Waveney and Suffolk Coastal District Councils.

That concludes the report for December. As ever, I would be delighted to hear from you on any matters related to your District Council; please do not hesitate to get in touch. In the meantime I wish you all a very happy Christmas and New Year.

Lee Parker

UK Power Networks

We are UK Power Networks, we deliver electricity to your home. Power cuts don't happen very often but we understand that they can be worrying.

Do you need extra support during a power cut? We can help, our services are free to customers who need it.

If you live in London, the East or South East of England, then being on our Priority Services Register will ensure you will receive extra support if you experience a power cut.

What help should I expect to get during a power cut?

- ✓ A priority number that you can call 24 hours a day
- ✓ A dedicated team who will contact you to keep you updated during a power cut
- ✓ We can put you in touch with an expert who can offer you advice on energy bills and energy saving tips if this is important to you
- ✓ Tailored support if needed such as home visits, hot meals, advice and keeping your friends and relatives updated
- ✓ In certain scenarios we may also offer a free hotel overnight and transport to the hotel

Who can register to receive extra support?

- Customers who rely on medical equipment
- Customers who are chronically ill
- Customers with a disability
- Customers who have dementia
- Customers who are blind or partially sighted
- Customers who are deaf or hard of hearing
- Customers who are of pensionable age
- A nursing or residential home
- Customers with children under five in their household
- Any other case that you would like us to consider

A Gardener's Question Time

On Sunday afternoon, August 21st, a group of us, comfortably seated in the Schoolroom, enjoyed the advice of Barry Gayton, the gardening expert from BBC Radio Cambridgeshire. His love of gardening started early. At the age of seven he asked for a small greenhouse for Christmas. Spending his pocket money on packets of seed from Woolworths and selling the plants he raised, he was able, by the age of 13, to spend £100 on a proper greenhouse. As he worked through the various questions we had submitted we learned much from his extensive knowledge and experience. This extended to the habits of insects as well as plants. We learnt, among other things, that elephant hawk moth caterpillars thrive on rosebay willow herb as well as fuschias and how to avoid fungal infections in pelargonium cuttings. One of his jobs was taking 20,000 every autumn and the following spring there would be almost 20,000 sturdy little plants.

Barry's address is Desert World Gardens, Santon Downs, Brandon, Norfolk which is open to visitors.

Shirley Cotton

LITTLE CORNARD CONSERVATION SOCIETY FORTHCOMING MEETINGS

26th January – Phyllis Felton talks about the Sue Ryder organisation and the lady herself.

23rd February – Tereza Fairbairn of Fulibroch Dairy, Bures, speaks about her move to Bures from her job and home in London.

30th March – Around the World in 80 Seconds (travel talk)

All meetings are held in Little Cornard Villagle Hall, Spout Lane, commencing at 7.30 for 7.45 p.m.

Non-members are very welcome.

Healthwatch Suffolk calls for your stories of care in the county

Healthwatch Suffolk has the power to shape, influence and improve local NHS and social care services in the county. It is independent from the NHS and social care, which means you can be honest when sharing your views.

It has launched a new campaign called “#NHSSelfieStars” for obtaining feedback from people about their use of local health and social care services. It wants to celebrate what is good about services and highlight where things could be better.

The state of the current health and care economy means that it has never been more important to share your views about local services; even if you don't think it will make a difference. The watchdog hopes that this campaign will encourage people to share their stories so that it can help health and social care professionals understand the views and experiences of people using their services and feed them into ongoing plans to change the way your services are delivered.

Healthwatch Suffolk is asking people to share a “selfie” and a story of NHS care in Suffolk so that it can highlight your experiences. All of the stories will be added to the growing volume of data the watchdog has already gathered from local people and used to hold services to account. You can share your selfie and story with Healthwatch Suffolk on Instagram (use #NHSSelfieStars) or by email to info@healthwatchsuffolk.co.uk.

It is always possible to share your experiences anonymously with Healthwatch Suffolk. You can visit www.healthwatchsuffolk.co.uk/services, where it is possible to rate and review your experience within any health or social care service in the county. Alternatively, please call 01449 703949 to speak with a member of the Healthwatch team.

Church Flowers

As usual our Church was beautifully decorated for harvest, a big thank you to all those who helped. Decorating for Christmas will take place on Friday 16th December. Marian and I will be in touch nearer the time for access to the Church.

Recruiting for the Flower and Cleaning Rota 2017

Marian and I will be putting the new Rota together after Christmas. We are very grateful for all offers of help. If you haven't done it before don't worry as you will be with someone who knows the ropes! For those who already help us, please let us know of any changes or preferences.

Thank you to everyone who has helped throughout 2016.

Marian Turner 01787 377889 / Sue Macdiarmid 01787 375858

Suffolk Historic Annual Bicycle Ride

This year we had rather a damp overcast day and were visited by 10 local cyclists. Dr Susan Sills very kindly took part for Little Cornard Church and raised over £200 which was a fantastic effort. A big Thankyou to her and to all those who kindly manned the Church.

Sue Macdiarmid

Village Hall Available for Hire: New, well equipped kitchen

The cost of hiring the Village Hall for a morning,
afternoon or evening session is:

£12 for villagers and £15 for all others.

Tables, chairs, cutlery etc are available for rent.

For information please contact:

Noel King, Booking Secretary on 01787 227447.

Kettle & Fish Café open most Thursdays in St. Peter's, Sudbury

Everyone is welcome to the Kettle & Fish Cafe which is open most Thursdays in St. Peter's on Market Hill. You can sit and relax over tea and coffee with delicious freshly filled rolls, soup, cakes & pastries. If you want to be alone that's fine or if you want someone to talk to we have listeners with a ready ear. Those of you with very young children can take advantage of our well-equipped, pushchair-friendly, kiddies' play area, while enjoying your refreshments. Since its inception over ten years ago Kettle & Fish has served the community of Sudbury and the surrounding area providing a welcoming and friendly environment.

Each week, during the four hours, 9.45am to 2pm, that we are open, we have always received well in excess of 300 visitors and regular customers. Because Sudbury has much to offer as a tourist attraction, we see people not only from the length and breadth of the UK but from all over the World as far as New Zealand and Hawaii. To this end some of our team are also well informed tour guides.

A permanent feature at Kettle & Fish is our Fair Trade Shop. You'll be amazed by the variety of goods you can buy, all at fair prices too! Probably one of the best ranges of fairly traded goods you will find in one place. Also we have always been glad to support many other organisations that serve this area by providing a space where they can showcase their cause.

For more information about Churches Together in Sudbury & District including Kettle & Fish go to <http://churchestogetherinsudbury.org.uk/>

Storehouse Foodbank

This continues with drop off points in Sudbury at Waitrose and The Christopher Centre. Storage is a problem for the Food Bank so they are also very grateful for any financial support.

A large number of boxes are packed for Christmas so I know any contributions will be gratefully received.

Any queries, please contact Sue Macdiarmid 01787 375858.

Cornard Mere – Winter 2016

In October 2015 volunteers from the Dedham Vale/Stour Valley project, working close to the Bures Road, cut back and cleared fallen willows from this area that had dried out during the Summer. Despite water levels having risen again by January 2016, our own work parties completed the task, opening up a view across to Keddington Hill (see photo). This area has been used by wildfowl throughout the Spring and Summer with small parties of Snipe stopping off in September to feed on the exposed peat.

Earlier in the year one of three Cetti's Warblers was trapped and ringed on the edge of the reed bed, close to Little Mere, by our licensed bird ringing members. In May a lone drake Pintail spent two weeks on the main pond. On one memorable visit a female Tufted Duck was seen crossing the main pond followed by eight ducklings. With another visit from the Dedham Vale/Stour Valley team due at the end of October, Shoveler, Wigeon and Teal have already returned to feed in and around the main pond.

The team's task, this year, will be to control the spread of bulrush on the far side of the reserve while the Trust's work parties will continue to keep willows from spreading into the reed bed. Christmas is an excellent time to walk round the Mere and enjoy its scenery and wildlife; but take care along slippery public footpaths.

Robin Ford, voluntary warden

Village Hall News

We are most grateful for the monies raised this year, firstly with the summer barbeque and then, more recently, a quiz night. A total of about £1,600 has been added to the coffers, which will go towards the continued upkeep and maintenance of the hall. In the summer, we resurfaced the wooden floor. Two outside doors are to be replaced soon, which will help with insulation and security. Suffolk County Council have offered a free Community Building Energy Audit, to see if we can improve the energy efficiency of the hall, thereby reducing the energy costs.

The summer barbeque was held in early August on Shalford Meadow, on the banks of the Stour, courtesy of Safari Consultants. The large marquee provided a wonderful venue for a very social afternoon and it was great to see so many people. Clive Johnson's barbeque was delicious, as were the huge array of puds provided by the committee. Local band, Electra (led by Peter Cook, a Village Hall Trustee), gave us some wonderful music. My thanks to all those involved.

Last month's quiz raised £400, a fantastic effort from the 24 people who quizzed! As ever, Bill's questioning was diabolical and the eventual winners were a team from Long Melford, who now hold the Little Cornard Quiz trophy! I think we'll have to raise a more spirited defence of the trophy next year! Thanks to Bill, Patricia and Nigel, Carol, Karen, and Coral for their help, and for the always-delicious contributions to the pudding department!

Ruth Adams

Peter Cook and his band Electra performing at the Barbeque

*On Friday 16th
December starting
at 7.30pm*

Little Cornard Church presents:

*Charles Dickens'
A Christmas Carol
Recited by Anthony Roberts*

*Mulled wine and mince pies will
be served in candlelight surroundings.*

*Ticket price:
A donation towards the
church bell fund*

The Felixstowe and Haven Ports Seafarers Centre

This centre is based on the Dock Road in Felixstowe:
It is a centre where seafarers can obtain help, enjoy relaxation, free wifi and lots more. There are televisions, facilities for table tennis, billiards etc. There is also a Chapel, which is supported by two Chaplains. The Chaplains provide many areas of support for seafarers who are a long way from their homes.

As Felixstowe dock area is always cold and windy the seafarers find a knitted woolly hat to be a great benefit. To knit these hats is a way that we can give support to these folks who bring in to this country so many goods. If you would like to knit a hat or if you have any wool that you are unlikely to use, I will be glad to supply a simple pattern or take the wool to a knitter. In the past few years the Mothers Union members in Bures and their friends have contributed almost 2,000 woolly hats which have all been gratefully received.

Brenda Pentney

SUDBURY CHRISTMAS TREE FESTIVAL

The Tony Moore Memorial Bell Fund will be represented at the annual Christmas Tree Festival which will be held in St Peter's Church, Sudbury, from 7th to 11th December.

Tony Moore Memorial Bell Fund Concert

On the 17th September, the Tony Moore Memorial Bell Fund hosted a concert in All Saints, Little Cornard, to raise money for the restoration of the church bells. Soprano, Jacqui Gridley (daughter of local residents John and Morag), and organist Stuart Mathieson, provided us with a truly varied repertoire, from Handel to Cold Play! After an intermission for drinks and nibbles, the Wormingford Hand Bell Ringers performed several pieces, including a notable Song of the Volga Boatmen. Stuart also broke away from the organ and sang a beautiful Ol' Man River. While the attendance was perhaps a bit disappointing, the audience was most appreciative and enjoyed a wonderful evening of music.

Ruth Adams

Calling All Gardeners!

Several of us would be quite interested in opening our gardens next year- would you like to join us?

All sizes and development would be welcome!

Opening your garden is an opportunity to demonstrate your creativity and skills. It is a chance to meet other people interested in gardening and can support a cause in raising funds.

We thought that the money raised could be put towards the Bell Restoration Fund on this occasion, so that we and future generations of villagers will have the pleasure of hearing the bells ring as past generations did. I would be happy to do refreshments and have a plant stall.

If anybody would like to join us, or help in any way, please let me know so that we can meet up and discuss the 'whens and wherefores'!!

So what has the Parish Council been up to?

We can report on the arrival of three green dog poo bins in the parish; Clive arranged the installation and we have had our first deposits! Usage will be monitored by Babergh, and the locations reviewed from time to time. We have already had a request for one by All Saints Church, so can report "Bin Envy" has arrived in our village.

We are helping the Village Hall Management Committee with the status of the village hall and its legal ownership, so we can progress with the possible acquisition of some neighbouring land, to expand the car park.

The Cornard Mere is partly owned by the parish and is currently leased to the Suffolk Wildlife Trust. We would like to appeal to the parish; does anyone have any memory of this acquisition in the seventies? If you do, or have any paper work linked to it, we would greatly appreciate a look at it, or a copy. We can arrange scans - please contact any Councillor or our Clerk.

Our Councillor Nick Hammond is still progressing with Quiet Lanes, as detailed in the previous issue. If you have any unreturned questionnaires, or any feedback or views or would like to pledge a donation to the cost of installing quiet lanes, Nick would like to know. Councillor Finch (SCC) has offered some support and the assistance of Highways on the legal aspects, public notices, etc.

We still lobby about speeding issues and will continue to do so. Thanks to Sarah and Ciaran Oliver's efforts for the cause. We understand from James Finch the 40mph to Bures will be effective and in place early 2017. Our efforts will not stop there.

I had the pleasure of meeting many I hadn't met before at the village barbeque back in August. I'm sure the village would like to thank again Ruth and Bill Adams for the use of the marquee. To anyone who helped or attended, you made it a great day, besides raising money for the running of our hall. We look forward to more "Little Cornard does Bake Off!" desserts next summer...

For now, Seasons Greetings and a Happy New Year from your Parish Council.

Till next time,

Karen Gilbert.

Harvest

Harvest Supper

We received a very warm welcome to our Harvest Supper on 1st October in the school room which was beautifully laid out and decorated with seasonal fruits and flowers and candles.

About 30 of us sat down to a very sustainable Ploughman's followed by some lovely warm apple and/or rhubarb crumble with custard. All this accompanied by some very pleasant wines and convivial company. We concluded with coffee and tea and of course petit fours.

Congratulations and sincere thanks to everyone who made this such a special evening to remember.
